- Pedal Press (writing articles for our newsletter)
- Other ways you could help us: .....

***THANK YOU FOR HELPING TO GET MERSEYSIDE CYCLING!***

# Join MCC so that we are better able to work for more usable cycling facilities on Merseyside!

*Merseyside Cycling Campaign (MCC)* was set up in 1985. The campaign is run by volunteers who campaign for Merseyside and Liverpool City Region issues and policies. Local area groups help deal with specific issues for each Merseyside/ LCR area: Liverpool, St Helens, Knowsley, Wirral, Sefton, Halton.

## FREE MEMBERSHIP!!!

Membership is open to anyone – cyclist or not – who supports our aims and objectives for safer cycling, traffic calming and a better, healthier environment!

### Member benefits:

- Find out what's going on in Merseyside (cycling-wise)
- Representation at meetings with local authorities and other organisations
- Input on consultations relating to cycling
- Monthly meetings
- Voting rights at meetings
- Regular Pedal Press newsletter online
- E-group discussions of the latest issues
- Volunteering opportunities

### What MCC does:

- Regular meetings
- Traffic surveys
- Monitors planning applications and road design schemes
- Collaborates with other organisations, such as pedestrian groups
- Campaigns on issues such as bus lanes, air pollution, safety
- Responds to transport-related consultations
- Participation in Cycle Fora
- Social bike rides
- Organises 'Bike to Work' days
- Enables and supports anyone to cycle within Merseyside
